Date: June 26, 2026

## FIREWORKS DISPLAY SAFETY ZONE – SC250 Charleston Harbor, SC

Charleston SC250 will host a fireworks display on Saturday, July 4, 2026, over the Charleston Harbor, SC.

A safety zone, encompassing a 1000-foot radius surrounding the fireworks barge will be enforced while the barge is in transit through the Charleston Harbor and from 7:00 p.m. on July 4, 2026, to 12:00 a.m. on July 5, 2026, while the fireworks are being launched adjacent to Waterfront Park.

During the enforcement period listed above, no person or vessel may enter, transit through, anchor in, or remain within the designated area unless authorized by the COTP Charleston or a designated representative.

Waterway users are reminded to use caution while transiting Charleston Harbor, remaining mindful of dredging operations, commercial vessel traffic, and higher than normal recreational vessel traffic during this holiday weekend.

For questions or concerns regarding this MSIB, please contact the Sector Charleston 24-hour Command Center at (833) 453-1261.
